Re: Italian Chapter – Official (ISC)2 Official Training Partner (OTP) in Italy

Please accept this letter as formal confirmation that the Italian Chapter are the ONLY Official Training Partner for (ISC)2 (International Information Systems Security Certification Consortium) in Italy.

It should be noted that no other training organization is permitted to use Official (ISC)2 Training Education Materials without official partnership consent from (ISC)2.

The Italian Chapter has taken over from CLUSIT as our Italian OTP as of September 2013, and have exclusive access to official, up-to-date and licensed materials from (ISC)2.

Please contact me direct should you have any queries.

Yours sincerely,
